

Jury Management System

PTF v7.3.1

Computer Arts, Inc. is pleased to announce the release of Jury v7.3.1. This update was issued to correct the 2019 DOT Driver file Address 1 field. Reports associated with the Address 1 field have also been updated

The following pages provide the enhancements and changes that are included in this revision. Please share this documentation with all Jury users in your office.

We appreciate the input from our users, helping to prioritize and aid in the development of all our programs. If you have any questions, please feel free to contact the service desk.
